## INTRO:

Click first 2 measures, start playing at 3rd measure. 7th measure rest is on 3 and 4. (ie: "7, 2, rest, rest" - Melody goes "beepbeep, beepbeep")

## SONG CORE (runs 2x):

D section is an 8 bar DRUM SOLO (kick it if there's no chanting!). 8th measure - rest on 3 and 4 (ie: "8, 2, rest, rest").

## BRIDGE (end section):

Remember to stop on time at the end of the last 2 Measures (the whole band playing bass line in unison).

+++++

Missing the 3 half-measure rests isn't critical \*but\* it adds a lot to the song if you get 'em and helps cue the band.
